I am submitting the Material to you, and you are accepting the submission, on the following terms:

1. Representation and Warranty: I represent and warrant that I am the sole author and owner of the Material, and that I have the power and authority to submit the Material to you on the terms hereof without the consent of any other party. I further represent and warrant that you have given me the opportunity to obtain independent legal advice on this matter, and that I have either done so or that I have intentionally elected not to do so.

2. Review of Material: I acknowledge that the only obligation undertaken by you in consideration of my submission is to accept the Material for review, and to review it if and to the extent appropriate pursuant to your normal practices. No other obligation or duty on your part shall arise from or be implied by this submission.

3. Use of Material: You acknowledge that if and to the extent the Material is protected by copyright law, I am not granting you the right to use the Material unless you and I enter into an agreement regarding such use. I acknowledge, however, that you are not agreeing to refrain from, or to compensate me for, the use of any elements of the Material which are not protected by copyright laws, including, by way of illustration, ideas, historical or factual matters or other public domain elements or aspects of the Material. The foregoing shall apply whether or not you have obtained such ideas and/or other public domain elements from other sources.

4. Return of Material: You may, but shall not be obligated to, return the Material to me, but you shall not be liable in any way if it is lost, misplaced, stolen or destroyed.

5. Arbitration: If there is any dispute arising out of this agreement, including a dispute about the validity, operation, meaning or breach hereof (including, for example, if you should determine that you have the right to use the Material without entering into a further agreement with me, and I disagree with your determination), the dispute between us shall be submitted to arbitration in Los Angeles, California, before an arbiter mutually selected by us who is experienced with respect to the use of and prices paid for material similar to the submitted Material. If we cannot mutually agree, then the arbiter shall be selected in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The arbitration shall be controlled by the terms of this agreement, and any award favorable to me shall be limited to the fixing of compensation for your use of the submitted Material, which shall bear a reasonable relation to compensation normally paid by you to persons of my present stature and experience for your use of similar material. Such award will provide for each of us to bear our own costs of arbitration and attorneys' fees.

Very truly yours,
